

Greetings Potential Sponsors & Donors,

Are you looking for an opportunity to support a positive extra-curricular activity for the youth of Georgetown County? Introducing the Prem1er Performing Arts Academy! The perfect opportunity is available through the Prem1er Community Drumline. The fundamental purpose of the Prem1er Community Drumline is to instill the youth with an appreciation for music and its connection with building confidence, self-esteem, respect for others and their community. Our 100+ member drumline is making a name for itself performing in community events and parades throughout Georgetown County, Horry County and the southeastern region.

The youth are excited about the possibility of adding to their listing of accolades, awards and experiences. Your support would help underwrite the costs of equipment, transportation expenses and child sponsorships. A sampling of their current awards and accolades include the following:

- Featured Performers in the 14th Annual Dillon Battle of the Bands 2018
- Featured Performers in the Carolina Carillon Christmas Parade 2017
- First Place Band Award for the MLK Day Parade 2016 - Georgetown, SC
- Special Guest for the MLK Day Parade 2016-2018 - Myrtle Beach, SC
- First Place Black History Parade 2016 - Georgetown, SC
- First Place Band at Blacksville Music and Arts Festival 2016 - Blacksville, SC
- Featured Drumline for Myrtle Beach semi-pro teams Freedom (Football) and Mutiny (Soccer)
- Featured Guests at various performances across Georgetown and Horry Counties.

Your sponsorship would greatly help us realize our vision. As the visionary for Prem1er, I have a heart for music and even greater love for youth and helping them to be involved in life changing opportunities, evidenced through my years of experience as the former GHS Percussion Instructor, a life member of SC State University's Bongo Brothers, Inc. and serving as a Minister of Music for churches across Georgetown, Horry, Orangeburg & Dorchester counties. Under my guidance, youth are offered an exciting and life altering opportunity embodied in the Prem1er Community Drumline. We are looking forward to you partnering with us through this process. I am thanking you, in advance, for your support and aid in helping us to effect positive changes within the youth in our community!

Best regards,
